New \$3,000 CD Purchased!

We added \$900 to the \$2,100 gift mailed in by Larry Poteat and purchased a new \$3,000 CD late February. The total for all C/A CD's are reflected in this month's financial report.

BCE Students Move Of C/A Campus!

To save money spent for electricity, Bill Mathias, acting BCE President, moved the 3 remaining BCE students off the campus mid-February to relocate them into one of the recently vacated sides of their duplex. If they had not done so, the Indian group that purchased the property would have gained control of that side of the duplex. With Bane Angles in the trailer at the end of the boys' dorm serving as our security guard, and with the students now totally off the campus here, we will be moving the gates on the chapel hill to just below the lake for greater security of the C/A campus. This winter we had unwelcome visitors who threw one of our tables in the lake; add this to the fact that we constantly have to pick up beer bottles, etc. - this is why we're moving the gates. We will be glad to provide those of you who come fishing a key to the gate as well as any supporting church who requests it. The gate will be unlocked in the morning and locked at dark at night!

2002 CAMP MANNA PROGRAM - DUE JUNE 1ST.

Forty of the area congregations are listed below to participate in the 2002 C/A Manna Program. Below is the quota for your congregation, due no later than June 1. Each congregation has the option of how to collect either the food or the monetary value (listed in the last column) of what that quota would cost. Some congregations choose to send the money and allow C/A to purchase the items. Some go out and purchase the food themselves and then deliver it to C/A. Others have members of the congregation bring in as much as possible and make up the difference through the treasury of the church. Whatever works best for your own locale is best for you. If you have any questions concerning exactly what we want, please call me at C/A.
