### **C/A PURCHASES NEW PROJECTOR AND SCREEN!**

We have purchased a new projector and screen for around \$800.00. I simply wore the others out after having them on the road for almost 10 years! The new projector is computer compatible and will be used during the camp season too!

### **SERVICE PROJECTS FOR YOUTH GROUPS!**

I know Robert and I can come up with some service projects on the campgrounds for area youth groups. If you have some time and would like to bring a youth group out — call us and let us know!

### **A NEW LOOK BELOW THE GATE!**

A.E.P. had to cut down trees and brush below the white gate to repair a downed power line. Since it was not a maintained area, the trees and brush had to be cleaned up by Robert and I. We have worked about 3 weeks cutting wood (8 truck loads) and have now stacked a host of burning piles the entire 500 ft. of cleared area. Take a look to your left as you enter the campus - it really looks good!

## 2008 CAMP MANNA PROGRAM - DUE JUNE 1ST.

Thirty-six of the area congregations are listed below to participate in the 2008 C/A Manna Program. Below is the quota for your congregation, due no later than June 1. Each congregation has the option of how to collect either the food or the monetary value (listed in the last column) of what that quota would cost. Some congregations choose to send the money and allow C/A to purchase the items. Some go out and purchase the food themselves and then deliver it to C/A. Others have members of the congregation bring in as much as possible and make up the difference through the treasury of the church. Whatever works best for your own locale is best for you. If you have any questions concerning exactly what we want, please call me at C/A.
