Gym Updates

Volunteers from Hollybrook finished installing the basketball goals during workday.

Volunteers sealed the building last Saturday as we prepare for the gym floor. Flooring is expected to begin the first week of May. The front porch was poured last week and will be finished this week, weather pending

Blankenship Land Management (A former Camper) installed the circle drive access to the new building. This will help with traffic flow during checkout, as well as provide easy access to the recreation complex during camp, Mark your Calander for June 13th for the grand opening of the gym complex.
