LADIES RETREAT AUG 14 - 15

The 9th Annual Ladies Retreat is just a few days away. Already these ladies are talking of having 250-300 here on campus on August 14th. Registration will begin in the cafeteria at 4:30 with the evening meal being served at 6:00. The cost for the retreat is only \$5.00

An annual highlight of each retreat is the workshops, which are geared to meet the needs and problems of the Christian woman. Below is a list of the workshops that will be presented:

- H.O.P.E. is Faith Going Places--
Sharran and David Pryor
- Am I Pushing My Faith Beyond Endurance--
Dolly Haverkos
- Living by Faith as a Housewife and Mother--
Wanda Dudding
- Living by Faith as a Teenager Today--
Phyllis Compton
- The Power of Pray--
Joanna Mathena

David and Sharran Pryor, missionaries to New Guinea, are the special guest speakers for this year's clinic. They have arrived at C/A and are anxiously awaiting their chance to share their mission experiences with all of you ladies.

One last planning meeting for the retreat has been set for August 6th at the Falls Mills Christian Church at 7:00. Shirley Taylor, publicity chairman, has asked that all ladies bring kitchen items, paper towels, toilet tissue, cleaning articles, etc. to the meeting. These items will be donated to C/A.

CAMP HAS OVER 300 CAMPERS

C/A is headed for another first! If Spiritual Emphasis week has as many as we are looking forward to, C/A WILL MAKE HISTORY BY HAVING OVER 300 CAMPERS NOT COUNTING STAFF FOR THIS SUMMER SEASON!

A complete registration breakdown and camp report will come in the September edition of the Chronicle. Already over 60 churches have been represented from the greater Bluefield area. This does not include staff members or the many good ladies from the area congregations who have put literally hundreds of hours into food preparation and cleanup.

While any camp will experience problems, C/A summer camp has gone exceedingly smooth. As of July 23, only one camper has had any major injury. The meals have been great. The deans have done an outstanding job. S.W.A.T. members have labored long and hard at both cleaning dishes and dorms and fixing potholes on campus.

Parents, if for any reason your child came home and reported something you think was out of place at C/A, we would like to know this information so we can correct the problem for next year. Please do not tell everyone else what happened but fail to tell us. WE can do something about it!

Mothers, what you've lost we've found! Please check through your son or daughter's camping equipment and see if any articles are missing. They can be picked up at the Ladies' Retreat.

CONCRETE FUND GAINS ANOTHER YARD!

A football team couldn't be any prouder to gain another yard than we are here at C/A. Mike and Pam Smith have given us \$50 to help wipe out the debt on the concrete. We still need four more yards to complete the project. Send us a \$50 today, without delay!

BCE BEGINS 11TH YEAR ON AUG. 20th!

At 9:00 on August 20th BCE will open its doors for its eleventh year of service to the greater Bluefield area. Classes will begin the following day at 8:00 a.m. Convocation services will be August 27th at 7:30 at the C/A Chapel with E. Paul Perry as guest speaker. Paul is ministering to the Oak Grove congregation in Beckley, W.Va. The public is cordially invited to attend.

OOPS!

In an effort to name all those who helped wash and paint and clean up for camp was the best and most patient painter of all - - Tim Herndon!! Sorry we left you out!

SOMETHING TO CROW ABOUT!

Ronnie and Vivian Peters who operates Brierfield Farms and supply eggs to Christian Acres have donated for the past several years every other order that Christian Acres makes. I did not find out till recently and thought all of you should know. Now this is "something to crow about" - and that ain't no YOKE folks! Thanks Ronnie and Vivian!

NO BUM STEER!

It may not be in the job description, but Jim and I, along with Robert Buckland played cowboys and rustled up a big bull for slaughter. The near 250 pounds of hamburger was consumed in just over two weeks by campers and staff. This not only points out the food consumed by camp, but also point out the savings made by C/A because of Robert's Camp Cow --that ain't no bull!
