"Restoring the Restoration"

CAMP SCHOLARSHIP FUND:

I know there are young people who won't come to C/A this summer because their parents, recently unemployed, can not send them. We do have a "Camp Scholarship Fund," whereby if you want to sponsor a camper, you may send C/A \$30 to send a child to camp.

In the past month we have received two such gifts. John and June Cottle gave me a \$30 check - and said they didn't have any more kids to send, so they wanted to send someone's else. Jerry and Mae Hughes also have sponsored a child or two!

CAMP TO OFFER ADULT SWIMMING LESSONS AND LIFE-GUARDING CLASS TO THOSE 15 OR OLDER

July 27-August 7th, C/A Lifeguards Chris Cardinal and Joanna Mathena will offer swimming lessons for adults. A Free-will donation will be taken at the end of the class. Classes will be held each weekday evening from 7-8 except Wednesdays.

Also Advanced Life saving will be offered for area teens 15 years or older and adults. The cost for this 42 hour class will be \$20 to cover the cost of books. The deadline for registering for the August 3-7, and August 17-21 classes is July 15th. Books must be ordered by that date to have them in for the first session on August 3rd. As part of the class, a multimedia first aid class and CPR will be taught. Those who pass will receive Red Cross Lifeguard Certification.

AREA MEN'S FELLOWSHIP AT MEMORIAL

Walter Schwitzerlett will both be hosting and preaching at the next area Men's Fellowship to be held at the Memorial Church of Christ on August 18th. Ya'll come!

USE C/A AS YOUR VBS MISSIONARY

We have a cassette tape and slide program for use in your congregations VBS program. Call today to reserve these 2-7 minute talks.

CAMP WEEKS HAVE GOOD ATTENDANCE

As I type this Chronicle, we are just beginning the Jr. High I week of camp-with two weeks already behind us. The Jr. weeks thrilled 78 and 63 campers respectively, and this Jr. High I week has 61 campers. Thus far we have had only one run to the area hospital with a grand total of two stiches for the summer. We covet your prayers for continued safety for all the weeks of camp.

We are still battling the problem of left-over clothing. WE PLEAD WITH YOU PARENTS TO PLEASE MARK THE TOWELS, UNDERGARMENTS, AND SWIMWEAR

We still have plenty of slots left open for campers - so get those cards in! Our deans have been doing a super job this summer and we know your child will enjoy his C/A camping experience.

POOL HEATER RECEIVING "WARM" COMMENTS

We have used approximately 250 gallons of propane in the first month's use for the pool heater. The water has been as high as 88 degrees, averaging 82-84 for most swim periods. Everyone who has used the pool has expressed their "warm" feelings about the water and about those who made the pool heater installation possible.

We have bookings left open for our supporting churches on the weekends. They are filling up fast, so call your appointments in as soon as possible.

In order to keep the cost of each swim period down to .50, we will still need help in praying for the propane to keep the heater working. Tim and Sue McPeak gave their \$10 again this month to help us keep the cost down. Won't you help?

DORCAS CIRCLE DONATES TABLE!

Our thanks to the Springville Ladies Dorcas Circle for their \$75 gift for a picnic table here at C/A. This gift is in honor of all Father's Day.

BRUCE BARILLA DOES IT AGAIN!

First we got the \$500 gift from Interlake with Bruce's backing-now Bruce has done it again! This time we received 10 CASES of Mexican food costing well over \$300 and maybe much more from another of his friends from the Golf Course in Chicago. Our thanks to Ralph Steinbarth and his company, La Preferida, Inc. for their donation to the camp. Below is a listing of case items that we received:

- 2 Cases Nacho Chips
- 1 Case Tamales
- 1 Case Frijoles Charros
- 1 Case Chicken Enchiladas
- 1 Case Spanish Rice
- 1 Case Chile Con Carne
- 1 Case Cheddar Cheese Sauce
- 1 Case Picante Sause

Bruce has already gotten a letter from George Bush -we except a big check from Ronald Reagon at any time! Ha!! Thanks, Bruce! (otherwise known as Rick's press agent!) (Joe Barilla, Bruce's Dad in Chicago also put in a good word to help us get these items)

TIM MCPEAK DONATES PROJECTOR

Our very special thanks to Tim McPeak for securing for us a used Kodak Carosel Slide Projector. Tim, along with his wife Sue, help the camp in so many ways.

SOME BUILDINGS WASHED DOWN

I didn't have room last month to report that the girls dorms, the administration building and the cafeteria were all washed down. We had help from Peterstown, Glen Lyn, Falls Mills, and Pine Grove - about 30 in all who worked for 4 hours to make our buildings look so much better! Thanks, everyone!

FAMILY CAMP NEEDS SUNDAY NIGHT SINGERS

We normally call up our groups and ask them to sing but we don't want to leave any of our supporting church groups out. If you would like to participate and we still have a lot open, please call me at 589-6296 and express your willingness to help out with the largest all area gospel sing on Sunday night, August 30th.

CAMP RECEIVES QUOTE ON FILL-IN WORK

We have been checking around to see what the cost of filling in the land between the ballfield and the road. The lowest estimate we believe we receive from an area contractor is \$10,500 including fill in work and materials such as pipe and gravels. However, we have a man in one of our local congregations who will do it almost free if he can locate a dump truck. We have offered to pay his fuel if he would do the work. Please pray that he will find that dumptruck!

We will be talking more about this project - the next project according to our priority list, with the General Board in August.

ADDRESS CORRECTION REQUESTED

MEN'S CLINIC HAS MODERATE BUT ENTHUSIASTIC CROWD!

Our stats were not what they should have been attendance-wise-but the preaching and music and the enthusiasm more than made up for a few that would have normally been there. Our special thanks to Hoy Glancy who was our Chairman for the 1986 Clin... Though not able to be with us because of his recent move, he raised almost \$600 from the area churches to help out with the expenses of the clinic. Below is a listing of those churches who had men registered or present
