GYM OPENING

Christian Acres celebrated the opening of its new gym this summer with hearts full of gratitude for God's faithfulness and provision. Made possible through the generosity, prayers, encouragement, and support of individuals, families, churches, and businesses, the gym represents far more than a new building on the campgrounds. It is a valuable tool for ministry and a place where campers can gather, play, build friendships, and grow together. From the beginning, the prayer has been that this space would serve campers and churches for many years to come while creating new opportunities for fellowship, discipleship, and sharing the love of Jesus.

Since opening its doors, the gym has already become a tremendous blessing to Christian Acres. Many campers have enjoyed using the space for games, recreation, and time together, and it has been especially valuable on rainy days when outdoor activities are limited. Instead of rain disrupting the camp experience, campers now have a safe and welcoming place to stay active, laugh, connect, and make memories. Christian Acres remains deeply thankful to everyone who helped make this project possible and gives God all the glory for the ways the gym is already being used—and for all the lives that will be impacted within its walls in the years ahead.

Sewer Issue Impacts Camp

Christian Acres recently experienced another collapse in our aging Orangeburg sewer line during the summer camp season. We are incredibly thankful that, through the quick work of our plumbers, a temporary repair has been completed and camp is currently operating safely and at full capacity. However, the temporary repair is not the end of the project. To prevent future collapses and protect the long-term operation of camp, we still need to complete the replacement of the remaining old Orangeburg line from the caboose parking area to the bottom of the road. The total project is currently expected to cost approximately $30,000, creating a significant and unexpected expense for the ministry. We are asking our friends, churches, and supporters to prayerfully consider making a special gift toward this urgent project so we can fully replace the aging line and continue serving campers for years to come. Every gift, large or small, will help us complete this critical work, and we are deeply grateful for the generosity and prayers of our Christian Acres family.
