June 1982

CAMP STARTS JUNE 20th!!!!

It doesn't seem possible that camp is just about 3 weeks away. Soon the laughter of happy youth from all over the area will be enjoyed at the 1982 camp season at C/A! Great deans are lined up. They have asked for helpers who are willing and ready for the experience at hand! New recreation, including boat races, have been planned! All things are being made ready for our goal of 500 to be involved in this summer's camp program. Below are some of the details about camp you need to know.

1. Cut your pre-registration forms from THE FRONT rather than on the dotted line on back. There's a slight printing error that causes you to cut off the "OFFICE USE ONLY BOX" on the front. THIS CARD MUST BE RECEIVED TWO WEEKS IN ADVANCE TO GET THE \$5 DISCOUNT. Mail it in today!

2. COUNSELORS NEEDED. Workers are the backbone of the camp program. Without YOU the youth will just stand idle both in their recreational activities and in their spiritual growth. Anyone desiring to work should contact me at 589-6296 or the Deans personally. Below is a list of the weeks, the deans, and their phone numbers.

3. S.W.A.T. TEAMS NEEDED! SWAT stands for Serving, Working, And Training Team. These are teens from the 9th grade or up who are willing to come to wash dishes, fill potholes, clean out vespers areas, etc. For this labor of love, we will give you housing, meals, and a canteen allowance. This is a grand opportunity for teens to use their talents for the Lord. Contact Rick at 589-6296 if interested in working SWAT!

4. ONE GRADE EXCEPTION - If your child is, for example, going into the 4th grade but he can't come that week because you are going on vacation, etc., you MAY SEND HIM TO THE 3RD GRADE WEEK OR THE 5TH GRADE WEEK INSTEAD.

5. NEEDS: Below is a list of desperate needs for this summer's camp program.

GIDEON'S ADDS ONE

M/M Tracy Christian were the sole volunteers this month to join our army bringing the grand total of recruits to 47. Now that the pool is open, we hope many more of you will join the ranks of the faithful supporters to pay off this indebtedness.

The Gideon Program is designed to pay off the indebtedness owed on the C/A pool, now just over \$27,000. Why not prayerfully consider sending us a pledge for \$120 today?

3 MORE JOIN THOUSANDAIRE CLUB

Mrs. Graham Jones, Ruth Simmis, and James Hanshaw were added this month to the Thousandaire Club. This brings our grand total to 153 members. IF YOU FORGOT TO SEND IN YOUR PLEDGE THIS LAST MONTH, WHY NOT WRITE YOUR CHECK OUT NOW. The General Fund of C/A could definitely use the help.

MANNA GIFTS CONTINUE TO POUR IN

Congregations are bringing in their quota for the Manna program almost every day now. Springville, Hillcrest, Glen Lyn, Ada, Lerona, and others have sent us their manna gifts in the last few days.

We would like to know from every congregation participating if they think they are going to meet their quota and let us know when you can bring the items by or have us pick them up. Please let us know as soon as possible. Camp is just days away now!

A PIG AND TWO COWS

As far as we know the camp will receive one pig and two cows for this summer's camp program. Mr. and Mrs. MacGinnis Hale called the other day and told us the great news about our second cow. Thanks for sending us this animal. The hamburger will help us out tremendously.

MEN'S CLINIC IS JUST HOURS AWAY!

June 4th and 5th are the big days for the 1982 C/A Men's Clinic. Registration will be from 5-6 with the evening meal served at 6:00. We will have a concert by the Goins Bro. at 7:00 with the first main session at 7:20. The first session on Saturday will begin at 8:20. Breakfast that morning will be at 7:30. We're shooting for 250 men!

DON HELMONDOLLAR TO UNDERGO SERIOUS SURGERY

By the time you receive this Chronicle, we are praying that Don will be recovering from surgery at Duke. He was operated on May 25th. Your prayers for his continued recovery will be deeply appreciated.

SEPTIC SYSTEM TO BE INSTALLED

By your generous giving, we will hopefully be in the process of installing the new septic system for the C/A pool by the time you receive this Chronicle. We will be calling upon area men for their help. A very special thanks to all of you who gave so sacrificially that we might have the pool ready for camp.

BILLY GOODMAN DONATES LABOR

190 feet of ditch line was dug by Billy Goodman from the Falls Mills congregation with his ditchwitch machine. We wanted to take this small space to express our gratitude to him and his family for their labor of love in behalf of C/A.

CHRISTIAN CHURCH OF BLUEWELL HEADS UP CROSS PROJECT

The Christian Church of Bluewell has agreed to head up our 60 ft. flowering cross project. The Ladies groups at Springville, Central, and Falls Mills have also expressed interest.

Just over the hill from the C/A administration building we are attempting to build an "on the ground" cross with a flower bed on the inside. This location will make the cross visible as the center of the campus as you come by the lake. Our thanks to Bluewell for heading up and taking the lead.

HOLLYBROOK WANTS TO GIVE FIRST \$100

One of the needed projects at C/A is a pavillion. We mentioned to the General Board on May 21st that if all our congregations would send \$100 we could build the pavillion this summer. Hollybrook liked the idea so well that they want to send the first \$100 when we decide to go ahead with the project. We will not, of course, unless we hear overwhelmingly from you that will like to see us build a pavillion. Please do not send the money yet, but DO LET US KNOW IF YOU WOULD BE WILLING TO DO SO--and if we get enough response then you have given us a DIRECTIVE to do so!

30 PIECES OF SILVER REPORT

The 30 Pieces of Silver offering was better than we had guessed it would be. Last month we told you it would be slightly over \$3000. Well the final total is \$3,499.96! PRAISE THE LORD! This will enable us to finish off the pool septic system and the interior restrooms. We hope to have this work done by the time camp begins.

Below is a complete listing of individuals and churches who gave. Our hats off to the Midway folk especially for their most generous gift of \$1,163!

375 ATTEND FISHFRY! LARGEST CROWD EVER!

The largest crowd ever in the 12 year history of C/A--375--attended that fishfry held on May 22nd! In spite of the rain and hail, the fellowship was just tremendous! An offering of \$530.42 was received, most of which will have to go toward expenses. Approximately \$200 or more was received from the General Board members in addition to this offering. We had hoped that the entire offering could go toward camp food, but the \$530.42 will just about cover expenses. If you General Board members forgot to send in your \$10, this money would help to meet the expenses, plus some for camp.

A very special hats off to Don and Jonce for heading up the detail in the kitchen and to all their workers for a job--not well done--but GREATLY done. With people lined up completely around the wall, the longest wait was still only about 35 minutes. Can't beat that anywhere in Bluefield, when you consider having 375 come in all at once!!
