## EXCITING NEWS FROM GENERAL BOARD MEETING!

First, when our elections of officers took place all of our current office holders were re-elected except for Clarence Bowman who resigned because of health concerns. He was replaced on the Executive Committee by Scooter Breisch, minister at Pine Grove. Our special thanks to Clarence for his many years of service on our Executive Committee!

Second, the General Board approved new air conditioner/heat units for all of our dorms; they will cost around \$7,500.00 including wiring, etc. They also approved the purchase of a new kitchen stove which will run around \$4,000.00! We would like to appeal to interested individuals and/or churches to take on one dorm for \$500.00 per a/c unit. Please mark your check A/C!

### ROBERT CONTINUES WINTER WORK!

We have kept Robert busy during this winter with the dorm remodeling project. All the dorms and administration building floors have been stripped and waxed. Now he is working in the kitchen painting the interior walls. Following that, the floors will be stripped and waxed! The campus is looking the best ever thanks to Robert's efforts!

We are now looking forward to spring (except for the ever growing grass) when we can begin outside paint work on the buildings and do our other spring projects.
