'Down Memory Lane' is the title of the 1988-89 camp slide program available for showing in all our area churches. This year's program will feature never before seen slides going back to the very beginning when the buildings were first being built and bringing us up to this year's program. Get your church schedule soon!

RICK BEGINS 9TH YEAR ON OCTOBER 1ST!

Happy Birthday to me! By the time all of you - about 2300 - get this October edition of the Chronicle, I will have finished 8 years of service to C/A and already working on the 9th. It has been a fun 8 years with the camp growing in so many ways. Maybe in an upcoming edition we can highlight the improvements that have been made and the approximate amount of money spent on all these projects. I may have been a lousy pitcher but I've been backed up with a superb team that carried me through. Like Bob Hope, I say, 'Thanks for the memories!'

GENERAL FUND SLIPPING

The camp has been running real tight in the general fund recently, partly due to a couple of churches and several individuals cutting back in their giving. We rarely send out appeal letters but it looks like one may be in the making. If you as a Chronicle reader or as a supporting church could help out by giving just a little more - it would add up to a whole lot when God's blessings are added to your gifts.

HORSEPEN HAS NEW PREACHER

Walter Schwitzerlette has moved from Memorial Church of Christ in Princeton to the Horsepen Christian Church. Walter began his preaching ministry there on September 4th.

DEAN'S MEETING WITH EXECUTIVE BOARD

Our annual evaluation of our camp program with Dean and Executive Board of C/A will take place in Rick's office on Thursday October 6th at 7:30. All past deans for the 1988 season are urged to attend.

HAM SUPPER HAS 175

The compliments were rampant about the great meal offered September 10th. Our thanks to Don Helmondollar and Jonce Leedy for heading up the meal and for the greater Peterstown churches for providing the back and leg work for both preparing and cleaning up afterward, Approximately 175 attended. The offering was \$400.00. Joanna and I provided the pre-concert music.

CABOOSE NOW SET

I slept very little the night of September 5th, because it 'Twas the night before Christmas' - ahh I mean the the night before the caboose came! On September 6th about 3:45 in the afternoon the caboose made its way around the lake and up the hill. By 5:30 it was on the rail. We had a cheering section of about 50 visitors who were just about as excited as I was to see it safely set on the rails. The total cost for moving it from Bluefield was \$930. Counting gravel and a small wrecker bill to move the rail we now have about \$1100 invested to date. If you didn't see the free advertizing we got in the Bluefield Daily Telegraph - then stop by and see the caboose for yourself. **It Looks Great!** During the winter months and into next spring we will be painting and fixing it up for our use as a canteen.

BLISTEX CORPORATION SENDS GIFT

We shouldn't have any chapped lips this winter thanks to a recent gift from the Blistex Corporation of Oak Brook, Ill. We received a large box containing about 1000 tubes of multi flavored Blistex - maybe even more! Bruce Barilla strikes again.

BCE TO HOST ALUMNI RALLY OCT. 10-11

BCE has started what promises to be a grand year of rebuilding. Nine full-time students are enrolled - up over double the number last year with a total enrollments of 38. Tom Reid, Administrator, is doing a fine job of recruiting students while at the same time sprucing up the campus. He wants to invite all former students to the gala event of the year, the Annual Alumni Rally to be held October 10-11, Monday and Tuesday preceding the Grundy National Prayer Clinic. If you have not received information please contact Tom at 589-6223.
