GYM FUND EXPLANATION AND REPORT:

We wanted everyone to know that the money originally given by Larry Poteat to build a gym in the amount of approximately \$453,000.00 has now grown to \$525,826.58 – see financial report on inside. Since this money was given for that purpose, we **CAN NOT** use it for other programs here at C/A. We know of several congregations who decided not to increase C/A's monthly giving because we have over a half million dollars. This is the very reason that Larry before his death said to me, "I don't want to hurt your general fund giving by giving you this earlier." His premonition has come true.

We try to be as open as possible with all the monies that we have by making our financial well-being public knowledge, knowing that people may not give because we list every dime and dollar that comes in along with **ALL** our financial records.

Please understand that we cannot transfer that money in to help out our general fund. We can only build a gym with that money. The same is true of that \$51,000 in scholarship trust – it is there to help sponsor needy children for our camp seasons. We did spend all the interest money earned since it was given this summer for exactly that cause.

In addition to the \$525,000 listed in the financial report we also now have \$5,320.00 designated for the gym fund in the BAM savings account where our governing boards wanted it placed rather than open another account.

Since our last report, we received help for the gym fund from the following:

Grassy Spur Church of Christ,	\$100.00
Gloria Glass	\$100.00
Dickie and Janet Meadows	\$50.00

300 Ft. Of 18 Inch Pipe Installed ON 3RD BASE LINE!

Robert and Ethan have been busy digging out the 3rd base line where the old 12-inch metal pipe has all but rusted out, creating holes for the past several years. We put rocks over these holes with fill dirt for the safety of our campers. We purchased the new pipe in the spring but time ran out before camp to get it installed. First Robert dug out the 300 ft of the old pipe, leaving the drain just before the asphalt of the backstop pavilion as well as the pipe under it so any water coming off the hill would still drain out. If you get the chance, thank them both for this two - week project!

EXECUTIVE COMMITTEE To MEET OCTOBER 7, 2021

Our regular monthly meeting of the C/A Executive committee will be held Thursday evening, October 7th at 6:00 p.m. most likely at the lower pavilion, weather permitting.

T-CLUB LOSES FAITHFUL MEMBERS!

We would like to express our sympathy to the Eva Kinser family for their recent loss. Eva was a member at Chesnut Grove as well as a T-Club member here at C/A!

Just a reminder: we will be sending out notices that all members need to send in their T-Club dues in November. We also need to replace many like Eva who gave so faithfully!

I apologize that my article last month left the impression that I was retiring. I had a couple of phone calls to that effect. I was just stating that I was finishing up my 41st year as Manager this October 1st! Sorry for the confusion! (Senior moment for this ole man! Ha)

RETURN SERVICE REQUESTED

**T-CLUB DUE IN NOVEMBER!
NEW MEMBERS NEEDED!**

Each May and November we send out a reminder card to our Thousandaire Club members that their \$10.00 gift is due! In spite of that we have had to remove almost 100 members over the last four years who didn't contribute. After not giving for 3 years (6 times) we remove those who are inactive. Membership that stood four years ago at almost 370 is now down to 268. Yes, it is true that some have died and some moved away, but most of our loss in membership is due to that inactivity. We would love to replace those lost members, so why not clip the card below and sign up to start giving \$10.00 this November and again this coming May — that is \$20.00 each year! We really need your help!
